The numbers in the columns represent the choices by each individual as follows. The number in the parenthesis represents each series length that individual has predicted. If there are four numbers in parenthesis, then team won World Series as a Wild Card team.

CASHPOT

19 Sheets @ \$10 = \$190

0 = Lose Wild Card or Divisional Series

1 = Lose in Divisional Series or League Championship Series

2 = Lose in World Series

3 = Win 2024 World Series.
